Digital Composite-Assignment Due: Tuesday-Oct 9th

With the images and files provided create an 11x17 inch composition.
at least 6 elements must be used which have been provided on disk.
One layer must have a strip out of the image provided.
One layer must use a Mask in some fashion .
At least one layer must use a "Smart Object " placed from an illustrator file.
One layer must use the overlay filter.
One layer must use the Multiply filter.
Another layer must have type.

More layers may be used and you may research and use
your "own" imagery, but the above requirements must be met.

Final file must be in layered PSD format, all layers must be labeled
File must be burned to disk and turned in with a
Print out that is mounted at the same size
(11x17") on black matte board with one inch border.
